Through the years together we
have shared our lives,
our dreams, passions and many
hard times.
But as we walked down that
unpaved road we have ventured,
experienced and most of all
learned.
We've learned to accept life's
constant pain; But the hope
it will stop — always remains
and if we have not and will
not try to see what (it or life
or he) is all about — then we
have not looked in; we have only
been looking out.

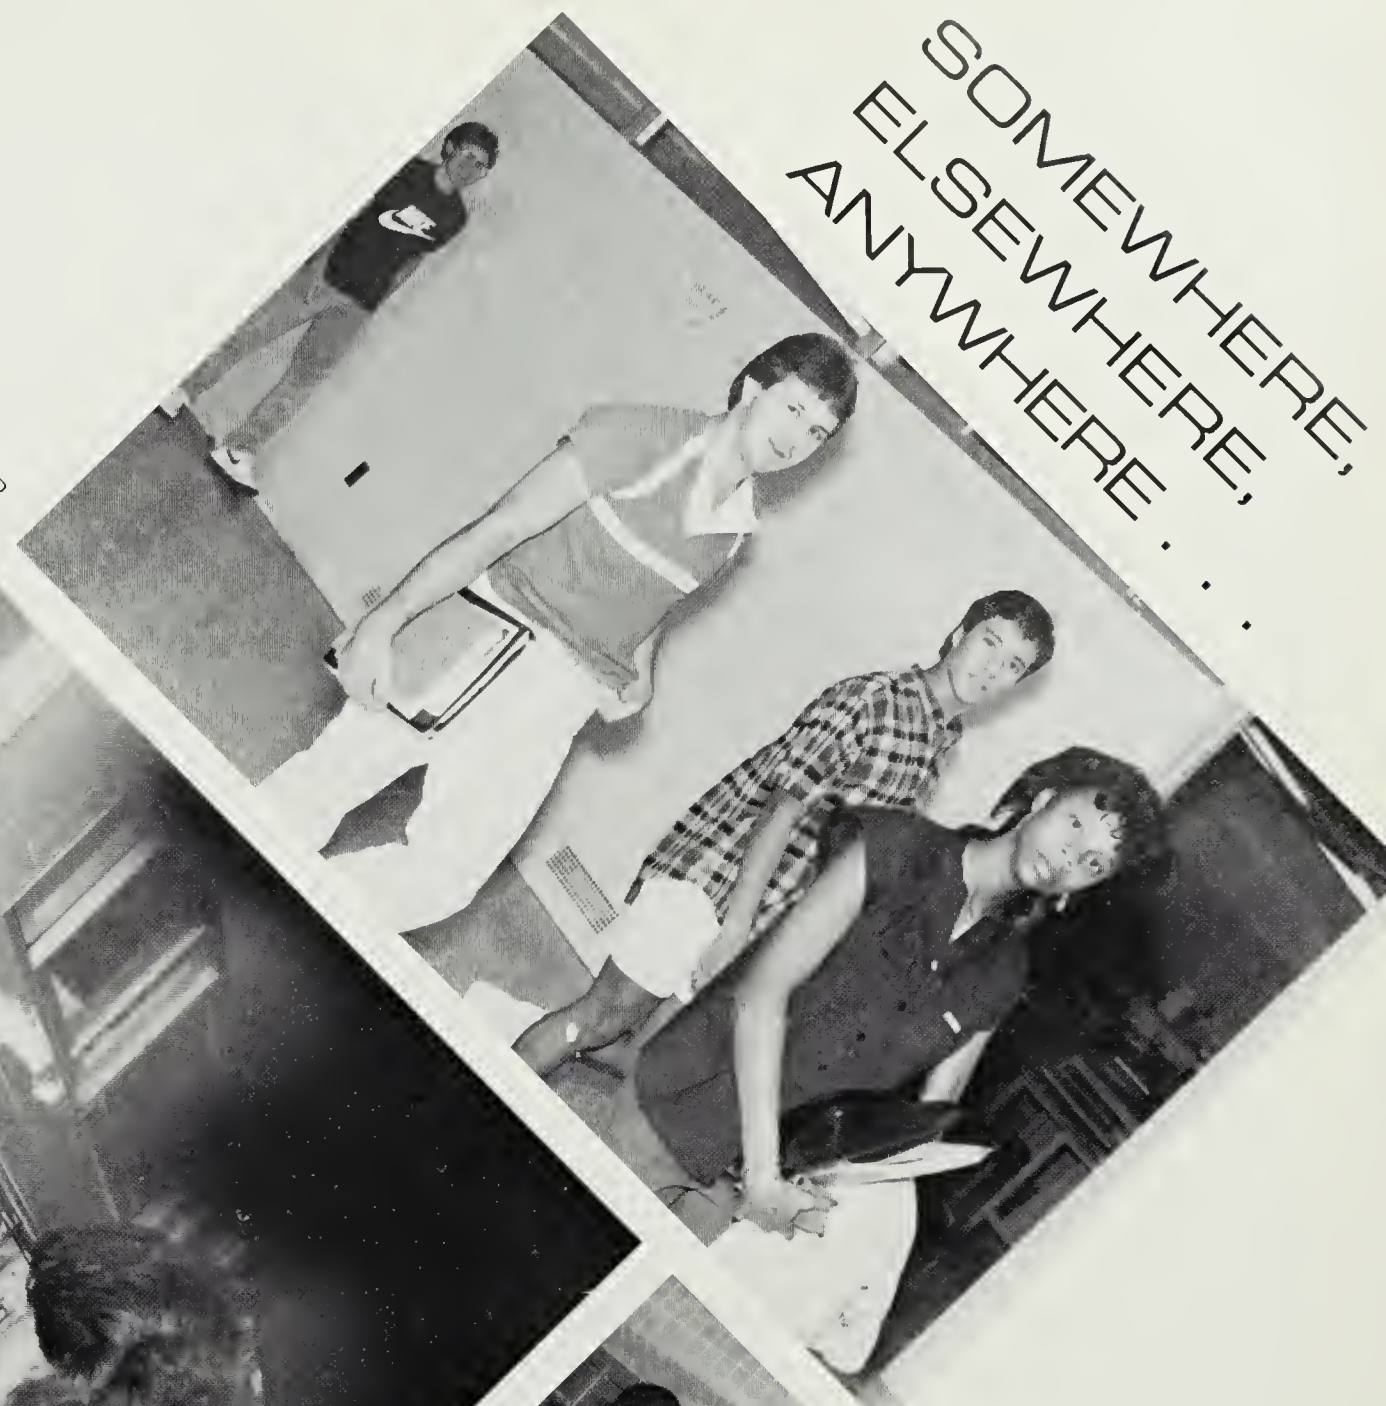
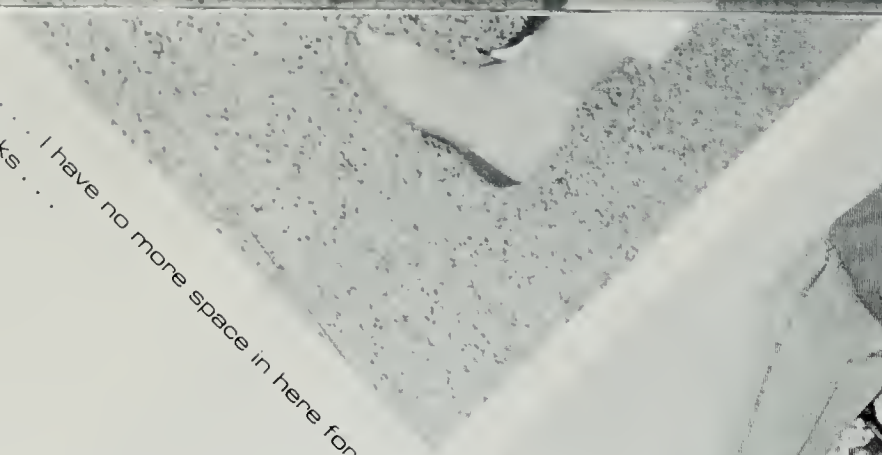
WARMING UP FOR THE PARADE

FINDING OUT FOR THEMSELVES

Sharing the same problems, students gather to confide in each other.



SOMEWHERE, ELSEWHERE, ANYWHERE . . .



LOOK . . . I have no more space in here for your books . . .

This is not my locker.

Moments away from studying to rap with friends and to release mounting tensions.

The next time I won't be absent from school.

BRUINS UNITE

The enthusiasm that radiates from a pep assembly delivers its greatest impact, not to athletic success, but to a healthy school spirit. The pep assemblies allow the students to see what the spirit of being a Bruin is, and what it is like to belong, and to be a part of high school. One of the few things that students do together throughout the year is participate in pep assemblies. For these reasons the pictures are displayed here so that one might remember their values.

THE HOMECOMING TRADITION CONTINUES

The members of the 1985 Homecoming Court paraded across the field, down an aisle created by the ROTC Corps. When the girls and their escorts were placed facing the crowd, a tune began. Then Mr. Hintz's voice over the speaker announced — "Ladies and gentlemen, Bethel's 1985 Homecoming Court."

Following the ceremony, the Homecoming Court and escorts returned to the stands. The crowd applauded — another queen was crowned and the tradition continued. The attendants walked hand-in-hand toward the excited crowd.

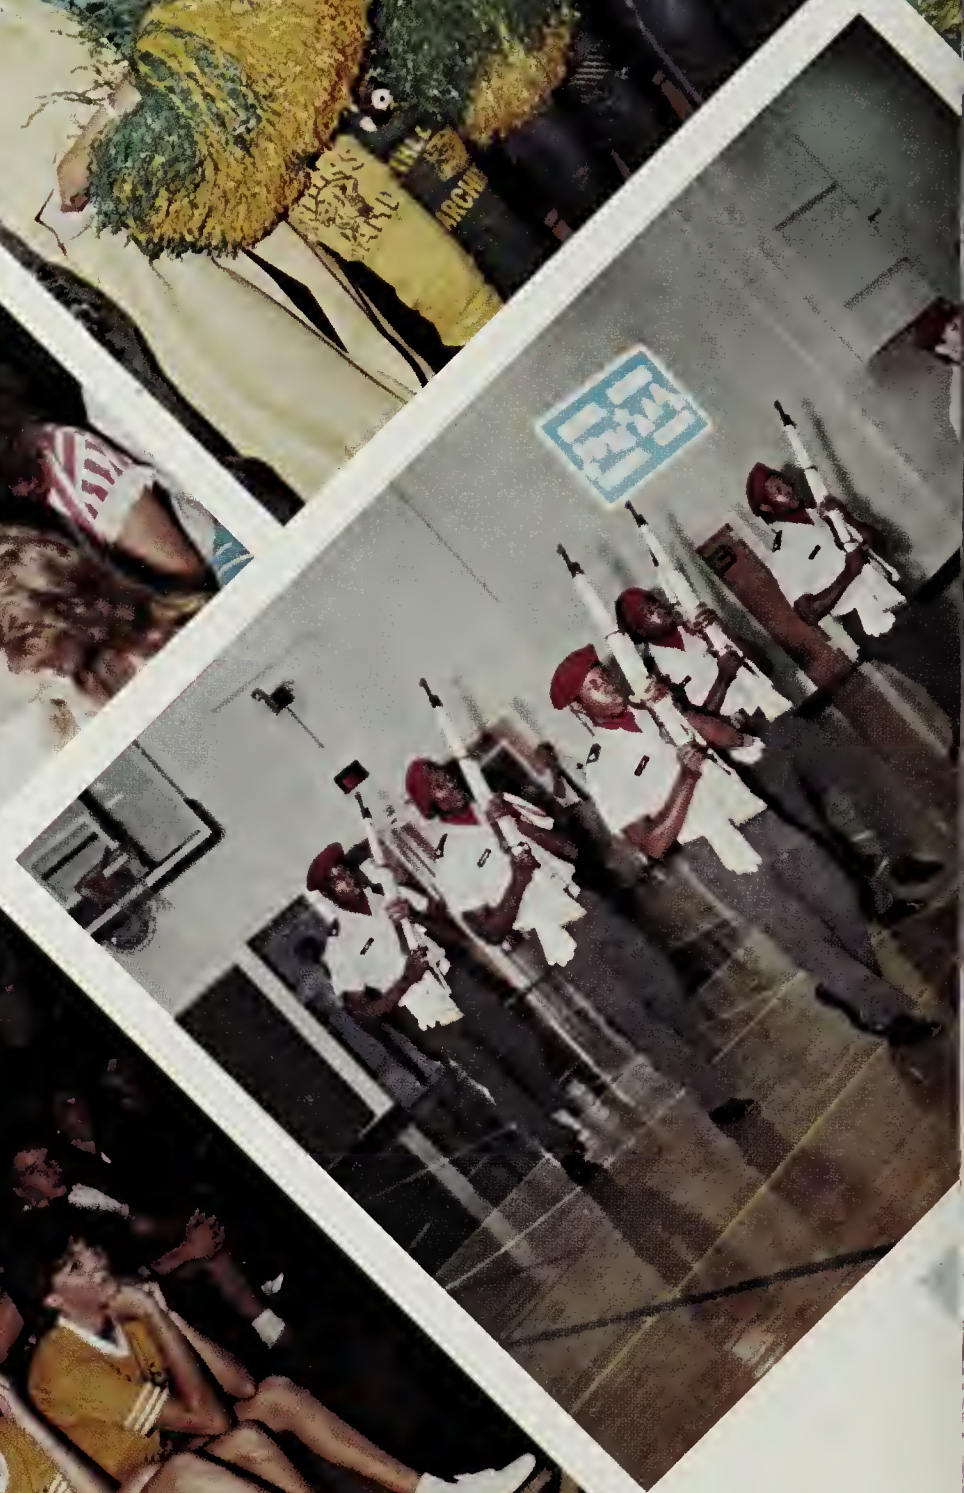
COMPETITION

The crowd show their STUFF . . .



The cheerleaders led the crowd to a new and wild ROUTINE.

Somehow, someway, everyone always seemed to find the time to attend those athletic and social events. The support was tremendous. At the pep rallies the band and the cheerleading squad seemed to work by rousing the fans enthusiasm even during the teams' worst performances. But like sports, all good things must end. As years go by, classes come and go, each one having only memories. Consequently those memories grow and grow and finally become lasting impressions of a wonderful year.

LOOKING IN . . .

CLASS SONG

Tomorrow Today

With our futures we will stand
brother, sister, hand in hand
dreaming dreams, of what we could be
if we make it . . .

The road is long and tough for us
living in this world of sin
but we're the class of '86
and we've set out to win!

For WE, we are tomorrow
but we're here and on our way.
Life has just begun
we are tomorrow today.

There are goals that we have made
and there are plans that we have laid.
They'll all come true for me and you
if we can take it . . .

The years we've spent within this place
have been like a golden key
to open all the doors for us
so then the world will see —

That WE, we are tomorrow
but we're here and on our way.
Life has just begun
we are tomorrow today.

Time passes us by.
All too soon we must say good-bye
and go on reaching for the sky.
Reach on, reach on high —
reaching for the sky.

For WE, we are tomorrow
but we're here and on our way.
Life has just begun
we are tomorrow today.

THE LADY BRUINS

The Lady Bruins Basketball Squad adopted "Togetherness" as a major theme for the 1985-86 season. Good defense is also the major objective. We are striving to put the "I" behind us and play a "We" game.

To date, this year's Team has to its credit thirteen wins and no losses and has won the Fort Eustis Christmas Invitational Tournament for the second time in the history of the girl's tournament. To win this championship, the Team defeated Granby High of Norfolk (50-32), Kempsville High of Virginia Beach (55-25) and Deep Creek High School of Chesapeake (59-34): Personal victories were scored by Tonya Pope, who was named most valuable player of the Tournament and along with Candice Tillman was also named to the All-Tournament team.

This year's squad is made up of three seniors: Candice Tillman, Co-Captain, Tina Williams and Tonya Pope, six juniors: Angela Scott, Co-Captain, Toyetta Donald, Catrina Goode, Tammillia Graves, Michele Cherry, and Yvette Haynes, Seven Sophomores: Latrece Cody, Cheme Pope, Dawn Parker, Raquel Hughes, Laticia Brown, Tammi Savage and April Harden, three freshman: Ana Incorminias, Vanessa Good man, and Kristi Taylor.

If this town continues its winning ways, the district Championship is well within our grasp!

INDOOR/ OUTDOOR TRACK

The Bethel Indoor Boys Team came within 12 points of winning their second straight State Indoor AAA Track Championship. We crowned two state champions: Mark Rainey in the 500 and Kenny Jefferson in 55HH. Anthony Wooden and Curtis Ponton joined Rainey and Jefferson to run an excellent 3:242 in the 1600 relay to place second.

The Girls' Indoor 800 and 1600 relay teams ran their best at the State meet and finished 4th in the 800 (1:46.2) and 2nd in the 1600 relay (4:036). Team members were TaRhonda Harrison, Tina Wooden, Angie Morant, and Kim Parker. We finished the highest at the meet by coming in 12th.

The Outdoor season appears to be as exciting as always. Both the boys and girls teams have an opportunity to capture District or State titles. The Bruins will also return to the Penn Relays to reclaim the 1600 Relay Championship of America.
